100 CLUB INFORMATION

The Society is continually looking at ways to both market itself and raise funds.

To that end, the Society runs a 100 CLUB. This gives our members the opportunity to win a cash prize while, at the same time, support the work of the Society. As you know, the shop is staffed by volunteers, who live locally. Many of you, who live further afield have expressed a desire to help in some way. A 100 CLUB could be the answer. For those of you who do not know how this operates, here is a brief explanation.

Each of 100 numbers is allocated to members on application and payment of an annual fee by bankers order. Each month a draw takes place and winners receive cash prizes. The total annual payout is 50% of the total annual fee collected. All active numbers are included in the draw each month.

Members who are interested are invited to apply immediately. More than one number can be allocated to each applicant if desired.

The fee for each number held is £12 per annum and is payable annually by Bankers Order. Using this method minimises administration time. Each successful applicant will receive a copy of the list of all members of the 100 CLUB and their numbers. The draw will normally take place each month at the committee meeting and cheques will be posted to winners immediately. Winners will be announced in the Journal.

There will be FOUR prizes each month. (based on 130 numbers)

1. £26.00	2. £19.50
3. £13.00	4. £6.50

Membership runs from May to April each year. You may join at any time by completing the form, which will operate from May 1st following your application. If you wish to be included in the current year please enclose a cheque for the months not yet drawn, up to and including April.
